MONTHLY *Chamber* LUNCHEON

First Tuesday of every month.
Network with other business owners!

“Try Willow First”

The Willow Springs Chamber of Commerce would like to welcome you to our wonderful community! Willow Springs is a tight knit community located in the heart of everything. The area has many rivers and lakes that are great for fishing, floating, relaxing, and some of the best canoeing around. Willow Springs is also known for its community festivals, shopping, golfing, hiking, hunting, or the great options to just relax in our great outdoors. We hope that our welcome guide provides valuable information and contacts to Willow Springs and the surrounding areas. If you are a new resident, lived here for your whole life, a chamber member, or a visitor, this book will guide you to the local business members who will have everything you want. We encourage everyone to shop local and “Try Willow First.”

We invite you to stop in the Chamber Office at 120 W. Main Street and learn more about our wonderful community or with any questions you might have. The chamber works hard for our community and to promote our city and local businesses. We partner with our local schools, civic organizations, churches and the local government to promote growth of our community wherever it is possible.

You are invited to our monthly luncheons held at one of our local restaurants on the first Tuesday of each month. There will be a guest speaker to provide updates on community events.

On behalf of the businesses of Willow Springs and the Willow Springs Chamber of Commerce, we would like to extend a warm welcome to you.

Best Regards,
Directors, Willow Springs Chamber of Commerce

Ozark Mills

Willow Springs and the Missouri Ozarks are blessed with scenic beauty that you likely won't be able to top, no matter how much you travel. Nestled in the beautiful Ozarks countryside are numerous old-time flour and gristmills, which at one time were the center of life, the heart of small communities peppered throughout the region.

Hodgson Mill

From the parking lot on Highway 181 where it crosses Bryant Creek, you can feel the cool breeze from the natural air conditioning provided by the spring under Hodgson Mill. The spring pumps about 24 to 28 million gallons of cold, clear water each day into Bryant Creek. A mill had been on site since the 1830's, with the second mill burning down during the Civil War.

Dawt Mill

The mill and resort are located off Highway PP on the North Fork River and have long been a popular spot for canoeing and fishing. The water is clear and calls visitors to the mill and general store, where you can find Dawt Mill souvenirs, river necessities, and a cold drink. Canoeing is available between March and November; convention facilities and rooms also are available.

Rockbridge Mill

Traveling along Highway 76, go west to Highway 95, then south to Highway N, then just up the road to Rockbridge. Learn more about Rockbridge by visiting them online at www.rockbridgemo.com

Topaz Mill

Located in Douglas County, off Highway E south of the junction of Highway 76 and 181, Topaz Mill is privately owned; however, the owners are friendly and welcome visitors to the property.

GOLF COURSE

Area golfers know that the Willow Springs Thomas F. Benyo Municipal Golf Course is synonymous with nearly flawless bent grass greens, zoysia tee boxes, improved watered fairways and the best layout of any area course. With 5 sets of tees to handle any skill level from Junior beginner to the low handicapper, all golfers can find happiness at this 9-hole venue.

Couple that with the lowest area membership dues and green fees, and Willow Springs truly is the golfing gem of the Ozarks.

The course features two lakes that figure prominently on several holes, a dozen sand traps that demand precision shooting, and enough trees to make a lumberjack feel at home.

For a golf experience that is both a challenge and yet economical, you can't go wrong at Willow Springs Thomas F. Benyo Municipal Golf Course. You can find us just north of downtown Willow Springs on Highway 137. The golf course appreciates the support of the community and, as always, will strive to provide a top-notch golf experience.

Willow Springs Senior Housing, also known as Sunshine Village, is located at 700 East 6th Street. The 108 apartments include 90 single-bedroom and 18 double-bedroom apartments. Each unit has 4 apartments with a patio area and sidewalks leading to the recreation hall and laundry. To be eligible to enjoy living here, you must be at least 62 years old or physically disabled. All utilities are included in the monthly rent.

The Willow Springs Senior Center is located on Senior Center Drive, conveniently adjacent to Senior Housing. It serves many social functions such as dances, exercise classes, painting, and fellowship. Affordable meals are served Monday through Friday for anyone wishing to enjoy them.

AIRPORT

The Willow Springs Memorial Airport (1H5) has a newly resurfaced 3502' x 60' runway and 100LL fuel at reasonable prices. It offers a lounge, tie downs and free camping at the field. Fuel is available 24/7 with a phone call.

Located only 1 mile from downtown Willow Springs, 80 miles east of Springfield, Mo and 60 miles north of Mountain Home, AR. For more information call 417-469-9998.

The City of Willow Springs is a fourth-class city that operates under a Mayor/Council form of government. The city is also the provider of all utilities within the city limits.
